 - [Druid Hills/Emory](#) 571 S. Kilgo Circle
 - ☎ 404-727-4282
 - www.carlos.emory.edu

The abundant imagination of the ancient world gave birth to a vast array of monsters that inhabited a rich world of myth, legend and high adventure. This exhibition explores the menagerie from the Greek perspective, focusing on the ways in which the Greeks borrowed imagery from Egypt and the ancient Near East, and developed a vast repertoire of richly imagined creatures that proliferated the Greco-Roman world.
