PRIVATE DINNER WITH ALICE KANDELL
FRIDAY, MARCH 18, 2016
MICHAEL C. CARLOS MUSEUM

DETAILS:

You, your friends and guests will enjoy an intimate, catered dinner at the Michael C. Carlos Museum with collector Alice S. Kandell before the exhibition *Doorway to an Enlightened World: The Tibetan Shrine from the Alice S. Kandell Collection* opens to the public. Dr. Kandell will also lead you on a private tour of the exhibition.

Dr. Kandell has been collecting Tibetan art since a trip to Sikkim during college. Also a published writer and photographer, Dr. Kandell donated her shrine collection to the Sackler Gallery in 2011. The works of art in the Kandell Shrine were created in artistic centers on the Tibetan Plateau as well as in China and Mongolia. Monks and lamas have used the Kandell Shrine for contemplation and meditation; the Dalai Lama has blessed many of the objects within it.

Tickets are limited and available on a first come, first served basis.

\$150 per person.
