

# All About Apollo

Can you match the names of the other Olympians—Poseidon, Athena, Artemis, and Aphrodite—to their descriptions?

Name:

My twin sister and goddess of hunting holds a bow and a quiver full of arrows.

Name:

**Apollo**

**Me!**  
(I kinda gave you that one.)

Name:

Annabeth's mother and wise goddess of war stands with her battle helmet, spear, and shield.

Name:

My friend Piper's mother and goddess of beauty sits beside her son, Eros.

Name:

Percy Jackson's father and god of the sea on his coral throne holds his powerful trident.
